

ONLINE RACE REGISTRATION

Fast, easy, and secure online event registration that is exclusive to the running community.

A Better Alternative to Active.com

For Participants:

- Lower fees for runners!!! (ex. \$2.50 vs. \$3.25 for \$20 entry fee)
- Multiple (family) registrations save even more money
- No SPAM or advertising
- Convenient Google Maps directions automatically sent
- Real time display of registered participants

For Race Directors:

- Easy & fast race creation wizard
- Free assistance from Webmaster Ray by phone or email
- Free race webpage that is search-engine friendly
- Option to embed online registration within your own site instead of sending to 3rd party site such as Active.com
- PDF registration form upload to allow free printing & mailing of forms
- Download participant info, summary reports, graphical reports to easily keep track of race fees, giveaways, donations & store items
- Team or individual fundraising / donation pages may be created
- Online store may include multiple items with image & choices for each
- Facebook integration, upload of race logo, video tutorials
- Multiple registration periods, coupons, discount options
- Processing fee options: paid by runner, by race, or split 50-50
- Free import of mailed in entries + easy edit of participant info
- Simple renewal of race info to the next year
- Custom questions such as "How did you learn of this race?"
- Weekly payment of race income when balance hits \$200
- Revisable race waiver included
- Built by runners for runners!!!

Try it for free! Start now at www.RunningMyRaces.com/online-registration.php
